A State should ensure that every piece of Land, ‘measuring more than 04 square kilometres’ or ‘any common land of even smaller size, as per availability near given locality’, should be considered as Forest. No privet ownership, by a ‘person’ or ‘group of persons’ should be allowed for such Land/s or any other Land/s, with aggregate measurement/s of more than 04 square kilometres. No activity, other than grazing of Animals or Travel, should be allowed in Forest land/s. Night time entry to Forest land/s should be restricted. Hunting of wild animals should be completely banned, with exception for those people, who are traditionally forest dwelling people & do not have any relation with the Civil society, even through agriculture, trade/barter, animal husbandry or education. Plantation of trees of foreign origin should be banned. ‘Cutting’ or ‘killing by removing bark or other methods’, of ‘Trees’, with a general life cycle of more than 10 years, should be completely banned, unless specific Tree has dried naturally. Collection & use of naturally dried twigs should be allowed. Pruning of branches of Trees in agricultural land should be allowed. ‘Slaughter’ or ‘killing by other means’ of Animal/s or Bird/s like; Whale, Shark, Dolphin, Penguin, Elephant, Horse, Donkey, Cattle, Buffalo, Camel, Yak, Dog, Cat, Turtle, Ostrich, Vulture or ‘that of other endangered Species in a State’ should be completely banned. Any activity, other than Research, Travel & Transport should be completely banned in those parts of Oceans, which are not under territory of any State. Use of motorised Boats/Ships for Fishing should be completely banned. Indigenous races of Crops & Cattle should replace Hybrid or that of foreign origin, since indigenous living things are better suitable for specific landscape & are robust against local diseases. Current generation of such Hybrid or foreign origin should be protected, until their natural death.

No Person should be allowed to possess dual or multiple Citizenship; hence Citizenship of every Person should be limited to one State only. A State giving Citizenship to an Outsider should take Consent from original State of applicant, before granting such Citizenship. Only persons with Local Citizenship of a State should be allowed to own land or Property in that State.

Trial & Judgement for any Offence including Sexual abuse, by a person should be done in the State, where both the parties belong to. In the instance where, multiple States are involved, the State where Crime has taken place, should have right to run Trial & give Judgement. Place of trial & Judgement for a Crime in ‘No man’s land’ or common Oceans should be decided by ‘Worldwide Council of Saints’, wherein priority should be given to the State of affected person/s. Justice department should ascertain correctness of claims of Plaintiff/s before giving summon to Accused. Trial against a Ruler should be done after approval from respective State wise Council of Saints. Trial against a Minister, Judge, Chief of Armed forces, Chief of Police or those of ranks equal to or higher than District level Administrator should be done after approval from respective Ruler. Trial of a Member of ‘State wise Council of Saints’ should be done, post approval from ‘Permanent Worldwide council of Saints’. Trial of a foreign Ruler, Minister, Judge, Chief of Armed forces, Chief of Police, District Administrator or any officer of equal or higher rank than District Administration should be done post approval from ‘Permanent

Worldwide council of Saints'. It should be the duty of the relevant Court to take approval from respective authority. Application for such approval from the Court should reach relevant Authority within a period of 01 month, from the date of ascertaining correctness of Plaintiffs' claims. Ascertaining of correctness of Plaintiffs' claims should be completed within one month from date of Appeal for Justice. Respective Authority should be bound to deliver its decision with respect to approval of respective Court's such application, within a period of 02 months from date of receipt of application for approval.

Maximum 'Salary' or 'Remuneration by any other name' to any person should not be more than 100 times, of that of current Minimum Wages, paid to a Labourer in that State.

Total of direct or indirect Tax on any product, including that; levied by State or such other parallel authority, should not exceed '25% by proportion' or '25% of the final accrued value at that level'. Multiple types of Taxes should not be levied. Tax should be proportionately applicable to everyone, as per his/ her nett product. Higher Taxes may be imposed on Imports, as per needs for such Products/ Services of importing State. Export of products from a State should be purely based on its surplus.

Governance, including Justice & Taxation should not be discriminative on the basis of Religion/ Caste/ Colour/ Race/ Sex of any Person.
